

January, 2021

We often experience a purity and authenticity in life's simple pleasures. This month's poem and painting speak to that.

## Tools

A small plastic snow shovel is the perfect tool to dig a hole in the basement carpet... and then jump in. Yes, imagination, freedom, laughter and love are the perfect tools to share with our grandchildren.

As we enter a new year, may joy break into our lives often, and may our joy be complete!

Peace and Blessings, Clarence
