

Connecting New

December, 2022

Advent can be a time in the silent darkness, watching and waiting.

New Moon

In the darkness there is possibility...
for our dreams
for what we cannot imagine
for what we fear
for what may break us open
to death, to new life

In the darkness we wait...
for the reassurance
for the phone call
for the diagnosis
for the message from God

In the darkness we pray...
that we may hear
that we may be true
that we may be helpful
that we may be loving
in every way, in every circumstance

May we receive the gifts God is offering to us this Christmas.

Peace and Blessings,
Clarence
